

**CENTER OF EXACT SCIENCES
GRADUATE PROGRAM IN CHEMISTRY**

PUBLIC NOTICE No. 12/2025 – Regular student offer 2026/1

Establishes rules and procedures for registration and selection for admission to the *Stricto sensu* Graduate Program in Chemistry, as a Regular Student.

The Coordinating Committee of the Graduate Program in Chemistry, of the State University of Londrina-UEL, in the use of its administrative attributions and in accordance with the Notice PROPPG/DPG/DAM, makes public to interested parties the rules and procedures to be followed in the selection process to fill regular vacancies in the master's and doctoral courses, to start on March 16, 2026, the first academic term of 2026.

All times indicated in this notice refer to Brasilia time, so check the configuration of your e-mail and your computer/cell phone.

The selection process for the admission of students to the Graduate Program in Chemistry will take place through four types of vacancies, according to CEPE Resolution 034/2021:

The candidate must make the option at the time of registration, clicking on the modality of interest.

I – Broad Competition: those that are not subject to any type of reservation or supplementary vacancies;

II – Reserved for self-declared black people (black and brown);

III – Supplementary for self-declared indigenous persons;

IV – Supplementary for people with disabilities.

Registration will be carried out only via the Internet and will be open to candidates who have an undergraduate course that is recognized by the competent body, in order to comply with Resolution 007/2017 of CES/CNE.

Before paying the public registration fee, the candidate must be aware of the rules of this Notice, make sure that he/she fulfills or will fulfill, by the beginning of the academic semester, all the required requirements. **There will be no refund of the public registration price after it is effective**, whatever the reasons.

Questions about the selection process should be sent to the e-mail spgcceselecao@uel.br or Phone: (43) 3371-4711.

If the candidate takes the exam during the second semester of 2025, the proof can be sent after receiving the exam score, to the email: ppgq@uel.br.

4.2.1. Attention: The candidate who presents a document other than the diploma must be aware that, **if approved in the selection process, he or she must present, at the time of enrollment, a supporting document in which the date of completion of the undergraduate course (day/month/year) is prior to the beginning of the academic semester at UEL (03/16/2026),** without which he/she will not be able to enroll and will lose the right to the vacancy, without refund of the value of the public registration price.

4.2.2. Foreign candidates: 1. passport; 2. Undergraduate diploma (source language); 3. sworn translation of the undergraduate diploma; 4. Birth or Marriage Certificate (source language); 5. Sworn translation of the Birth or Marriage Certificate; 6. Individual Taxpayer Registration - CPF; 7. visa to stay in the country, updated or National Migration Registry.

5. Vacancy reservations

For the **Masters**, the Program offers up to 36 (thirty-six) vacancies, 30% of which are reserved for **Black candidates (black and brown)** and 5% of additional vacancies (in addition to the number offered by the Program) for **Indigenous candidates** and 5% of additional vacancies (in addition to the number offered by the Program) for **Candidates with disabilities** that meet the requirements established in this Notice.

For the **Doctorate** The Program offers up to 19 (nineteen) vacancies, 30% of which are reserved for **Black candidates (black and brown)** and 5% of additional vacancies (in addition to the number offered by the Program) for **Indigenous candidates** and 5% of additional vacancies (in addition to the

number offered by the Program) for **Candidates with disabilities** that meet the requirements established in this Notice.

To register through wide competition or in one of the modalities of reservation or supplementary vacancies, the candidate will have to access the page of the Dean of Research and Graduate Studies - PROPPG, <https://sites.uel.br/proppg/inscricoes/>, indicate, in a specific field, the modality and attach the documentation required for registration.

The reservation or supplementary vacancies must be indicated and attached to the documentation required at the time of registration on the website.

The candidate must carefully choose his or her vacancy modality at the time of registration, as a request for change of the chosen option will not be accepted.

To register for one of the modalities of reservation or supplementary vacancies, the candidate must:

5.2. Black candidates (blacks and browns) submit to the Heteroidentification Commission.

5.2.1. To enroll in the modality, self-declared black people (black and brown) must opt **for** this modality at the time of registration.

5.2.2. The Heteroidentification Commission will carry out the **interviews**, in person, at LAPECH - Laboratory for Research in Human Sciences, University Campus - UEL (near the roundabout of CLCH - Center for Letters and Human Sciences - between the RU and CLCH), at **8:30 am on November 12, 2025**.

5.1.3. The candidate for this modality must make the appointment on the student portal, at the electronic address <https://sistemas.uel.br/portaldepos/>, in "**Heteroidentification Interview Scheduling**", only after the payment of the public registration price and during the registration period.

5.1.4. For candidates who have already been interviewed at the State University of Londrina by the Heteroidentification Commission in the Selection Process of Vestibular or Graduate Programs, being granted or rejected, they will be exempted from a new interview and the result already obtained will be maintained.

5.1.5. Candidates who reside at a distance of more than 100 km from Londrina may, on the student portal, at the electronic address <https://sistemas.uel.br/portaldepos/> in "**Heteroidentification Interview Scheduling**", inform their option for a remote interview, on **November 5, 2025**

and, on the same day, send an email to pgcotasnegros@uel.br with full name, RG, CPF and Course that is enrolled, attaching proof of residence and detailed justification.

On November 7, 2025, the candidate, with a granted request, will receive an email informing the date and time of the remote interview.

5.1.6. There will be no second call for the hetero-identification INTERVIEW, whatever the reason alleged to justify the candidate's absence.

5.1.7. The candidate who does not attend the interview will automatically have his or her request rejected and will compete for vacancies by wide competition.

5.1.8. During the hetero-identification interview, the candidate may be photographed for the purpose of analyzing any resources and composing the database of the Hetero-identification Commission.

5.1.9. The result of the analysis with the CPF of the approved or rejected applicants will be made available on the Chemistry Program page: <https://pos.uel.br/quimica/> on **November 18, 2025**, starting at 5 pm.

5.1.10. The candidate with an option for this modality who has been rejected may file **an appeal** against the rejection during the hours of 8 am to 11:59 pm on **November 19, 2025**. The request must be addressed to the Homologation Commission, via e-mail pgcotasnegros@uel.br

5.1.11. The result of the analysis of any appeals presented will be announced at the address of the Chemistry Program: <https://pos.uel.br/quimica/> from **5 pm on November 24, 2025**.

5.1.12. The candidate with registration for self-declared black people (black and brown) rejected for the reservation of vacancies, will automatically be competing for vacancies by wide competition

5.1.13. The candidate who requests the reservation of vacancies, during the registration period established in this Notice, must comply with the requirements such as the payment of the public registration price corresponding to the amount of R\$ 162.00 (one hundred and sixty-two reais) and *upload* of the required documents.

5.2. Indigenous Candidates: present a Self-Declaration Term Declaration of their ethnic and community belonging issued by indigenous leaders in their community or by FUNAI - National Foundation of Indigenous Peoples.

5.2.1. The candidate who registers requesting the use of quota in this modality must, at the time of registration, attach the documents requested in item 5.2.

5.2.2. There will be a single Commission for the approval of the documentation presented, responsible for attending all the *Stricto Sensu Graduate Courses* at UEL, with the participation of the University Commission for the Indians, representative of Chiefs of Indigenous Lands of Paraná and representative of Indigenous Organizations of Paraná.

5.2.3. Candidates who are going to register for this modality must make the quota option at the time of registration. For candidates who have already been evaluated by the Homologation Commission for the reservation or supplementary of vacancies at the State University of Londrina in the Selection Process of Vestibular or Graduate Programs, being granted or rejected, it is **OPTIONAL** to attach the documents of item 5.2.

5.2.4. The result of the analysis with the CPF of the approved or rejected applicants will be made available on the Chemistry Program page on **November 18, 2025**, starting at 5 pm.

5.2.5. The candidate with an option for this modality who has been rejected may file an appeal against the rejection during the hours of **8 am to 11:59 pm on November 19, 2025**. The request must be addressed to the Homologation Commission, via e-mail pgcotasind@uel.br.

5.2.6. The result of the analysis of any appeals presented will be announced at the address of the Chemistry Program from **5 pm on November 24, 2025**.

5.2.7. The candidate who requests the reservation of vacancies, during the registration period established in this Notice, must comply with the requirements such as the payment of the public registration price corresponding to the amount of R\$ 162.00 (one hundred and sixty-two reais) and upload of the required documents.

5.2.8. The candidate with a rejected application for registration due to supplementary vacancies for this modality will automatically be competing for vacancies by wide competition.

5.3. Candidates with disabilities: present a medical report, attesting to the characteristic condition of this modality, in accordance with the disabilities provided for in Federal Decree No. 5296/2004, Federal Law No. 13,146/2015 and Federal Decree No. 10,654/2021.

5.3.1. The candidate who registers requesting the use of quota in this modality must, at the time of registration, attach the documents requested in **item 5.3**.

5.3.2. There will be a single Homologation Committee for the documentation presented, responsible for serving all UEL *Stricto sensu* Graduate Courses, with members of the UEL Accessibility Center, health and social assistance professionals.

5.3.3. Candidates who are going to register for this modality must make the quota option at the time of registration. For candidates who have already been evaluated by the Homologation Commission for the reservation or supplementary of vacancies at the State University of Londrina in the Selection Process of Vestibular or Graduate Programs, being granted or rejected, it is **OPTIONAL** to attach the documents of **item 5.3.**

5.3.4. The result of the analysis with the CPF of the approved or rejected applicants will be made available on the Chemistry Program page on **November 18, 2025**, starting at 5 pm.

5.3.5. The candidate with an option for this modality who has been rejected may file an appeal against the rejection during the hours of **8 am to 11:59 pm on November 19, 2025**. The request must be addressed to the Homologation Commission, via e-mail **pgcotasdef@uel.br**

5.3.6. The result of the analysis of any appeals presented will be published on the address of the Chemistry Program from **5 pm on November 24, 2025**.

5.3.7. The candidate who requests the reservation of vacancies, during the registration period established in this Notice, must comply with the requirements such as the payment of the public registration price corresponding to the amount of R\$ 162.00 (one hundred and sixty-two reais) and upload of the required documents.

5.3.8. The candidate with a rejected application for registration due to supplementary vacancies for this modality will automatically be competing for vacancies by wide competition.

5.3.9. People with disabilities, enrolled in the selection process, will be assured the appropriate conditions for their participation, in accordance with Law 13.146/2015 and Decree No. 10.654 of March 22, 2021, in accordance with the specific demands previously notified by the candidate, to the Graduate Program in Chemistry at the e-mail: **spgcceselecao@uel.br**

6. On the form of delivery of the documents:

There will be no face-to-face delivery of documentation.

The submission of documentation is exclusively **via the online registration system by uploading the documents scanned at the time of registration.**

Attention: The candidate who *uploads* incomplete documentation will be automatically excluded from the selection process. In case of withdrawal from the selection process or in any other situation, **there will be no refund of the public registration price.**

7. Selection process

7.1 The selection of candidates will be the responsibility of the Program Coordinating Committee, Prof. Dr. Luiz Henrique Dall'Antonia; Prof. Dr. Odair Pastor Pereira; Prof. Dr. César R. T. Tarley, and will consist of the following tests or evaluations:

7.2. The selection for the Master's Degree:

I) *Curriculum Vitae Analysis and Scoring*

For the preparation of the *Curriculum Vitae*, the candidate must observe the order set forth in Annex I of this publication. The analysis and scoring of the *Curriculum Vitae* will be carried out in accordance with the score provided in the Template that is part of this Notice (Annex I). Only items duly proven by documents will be scored. The analysis and scoring of the *Curriculum Vitae* will be carried out by the Selection Examining Committee, in a reserved session. The *Curriculum Vitae* with the highest score among the candidates will receive a score of 10.0 (ten) and the other *Curriculum Vitae* will have the score calculated by a rule of 3 simple.

II) **Written Test**

The written test is carried out by the organizers of the Unified Examination of Graduate Studies in Chemistry (EUQ) of the Brazilian Society of Chemistry. For more information about the exam, visit <https://euq.sbq.org.br/>.

Proof of exams carried out up to 2 (two) years from the date of the exam will be accepted. If the candidate takes the exam during the second semester of 2025, the proof can be sent after receiving the exam score, to the e-mail: ppgq@uel.br. The registration and completion of the EUQ of the Brazilian Society of Chemistry is the sole responsibility of the candidate, and it is up to him to send his final grade along with the documentation described in item 3 of this notice.

Calculation of the final average: $[(\text{Curriculum vitae grade} \times 3) + (\text{Written test grade} \times 7)]/10$

Candidates will be classified in descending order of the final average and this classification will be used for the distribution of scholarships in a Public Notice to be published.

If there is a tie in the selection process, the following tie-breaking criteria will be used, successively:

- I. highest score in the Written Test;
- II. highest score in the analysis of the *Curriculum Vitae*;
- III. older age;

7.3. Selection for the Doctorate:

III) *Curriculum Vitae Analysis and Scoring*

For the preparation of the *Curriculum Vitae*, the candidate must observe the order set forth in Annex I of this publication. The analysis and scoring of the *Curriculum Vitae* will be carried out in accordance with the score provided in the Template that is part of this Notice (Annex I). Only items duly proven by documents will be scored. The analysis and scoring of the *Curriculum Vitae* will be carried out by the Selection Examining Committee, in a reserved session. The *Curriculum Vitae* with the highest score among the candidates will receive a score of 10.0 (ten) and the other *Curriculum Vitae* will have the score calculated by a rule of 3 simple.

IV) **Written Test**

The written test is carried out by the organizers of the Unified Examination of Graduate Studies in Chemistry (EUQ) of the Brazilian Society of Chemistry. For more information about the exam, visit <https://euq.sbc.org.br/>.

Proof of exams carried out up to 2 (two) years from the date of the exam will be accepted. If the candidate takes the exam during the second semester of 2025, the proof may be sent after receiving the exam score, to the e-mail: ppgq@uel.br or The registration and completion of the EUQ of the Brazilian Society of Chemistry is the sole responsibility of the candidate, and it is up to him to send his final score along with the documentation described in item 3 of this notice.

Calculation of the final average: $[(\text{Curriculum vitae grade} \times 6) + (\text{Written test grade} \times 4)]/10$

Candidates will be classified in descending order of the final average and this classification will be used for the distribution of scholarships in a Public Notice to be published.

If there is a tie in the selection process, the following tie-breaking criteria will be used, successively:

- I. highest score in the Written Test;
- II. highest score in the analysis of the *Curriculum Vitae*;
- III. older age;

8. Number of vacancies:

Master's degree: up to 36 vacancies, 30% of which are reserved for **black candidates (black and brown)**, 5% of additional vacancies (in addition to the number offered by the Program) for **Indigenous candidates** and 5% of additional vacancies (in addition to the number offered by the Program) for **candidates with disabilities** who meet the requirements established in item 5 of this Notice.

Doctorate: up to 19 vacancies, 30% of which are reserved for **black candidates (black and brown)** and 5% of additional vacancies (beyond the number offered by the Program) for **indigenous candidates** and 5% of additional vacancies (in addition to the number offered by the Program) for **candidates with disabilities** who meet the requirements established in item 5 of this Notice.

The distribution of master's and doctoral vacancies among advisors is described in the following table:

Teacher	Masters	Doctorate
ALEXANDRE ORSATO	2 or more	2 or more
CÉSAR RICARDO TEIXEIRA TARLEY	2 or more	2 or more
DIANA NARA RIBEIRO DE SOUZA	1	1
ELEN J. R. SARTORI BRAZ	2 or more	2 or more
FELIPE DE ALMEIDA LA PORTA	2 or more	2 or more
GIZILENE MARIA DE CARVALHO	1	1
HENRIQUE DE SANTANA	1	1
KARINA BENASSI ANGILELLI	1	1
LUIZ HENRIQUE DALL'ANTONIA	2 or more	2 or more
MARCELA ZANETTI CORAZZA	1	1
MARCELLE DE LIMA FERREIRA BISPO	2 or more	2 or more
MARIA CRISTINA SOLCI	2 or more	2 or more
MARIE LOUISE ZERAIK	1	1
MARIO HENRIQUE MONTAZZOLLI KILLNER	1	1

ROBERTO DE MATOS	1	1

9. Result of the selection process

The result of the selection process will be announced on December 3, 2025, at the address of the Graduate Program in Chemistry: <https://pos.uel.br/quimica/>

10. Appeal

The candidate who does not agree with the result of the process will have a period of ONE BUSINESS DAY, on 12/04/2025, to file an appeal. The request must be addressed to the Coordinator of the Graduate Program **in Chemistry**,

via e-mail spgcceselecao@uel.br. Appeals filed after the deadline will not be admitted or analyzed, as well as must be duly grounded. The responses to the appeals filed will be forwarded to the applicant via e-mail, by the Coordination of the Chemistry Program.

11. Final result and call for enrollment

Approved and classified candidates will be summoned for enrollment through a **Public Notice** published by the Coordination of the Chemistry Program on the <https://pos.uel.br/Química/> website and approved by the Dean of Research and Graduate Studies, starting at 5 pm **on December 5, 2025**.

In the Notice of Result, in addition to the call for enrollment, there will be the procedures and deadlines to be met regarding enrollment on the student portal. Enrollment is scheduled to take place from **December 8 to 11, 2025** and all steps for its completion will be detailed in the result notice and call for enrollment.

12. Final provisions

Cases omitted in this notice will be analyzed by the Coordinating Committee of the Graduate Program in Chemistry at UEL.

Londrina, August 23, 2025.

Prof. Dr. Luiz Henrique Dall'Antonia
Coordinator of the Graduate Program in Chemistry

FINAL TOTAL POINTS (sum of all items) =			

Observations:

- Only works whose reference is COMPLETE, containing authors, title, journal (for articles), volume, page numbers and year, will be considered.
- The curriculum file must be saved in PDF format, containing all the information requested in the evaluation table.
- Productions that, in the curriculum, the candidate does not inform the ISBN of the books or chapters (if any) will not be considered; and the classification in the *Qualis* CAPES periodicals quadrennium 2017-2020 (as indicated in the evaluation table). To do this, before saving the resume file in PDF format, the candidate must **include the requested information next to each item listed and save.**
- **Only the registration whose supporting document is duly presented will be scored.** These documents must be in the correct order of the items in the template.
- If the evaluation committee finds that the candidate has filled in the score table incorrectly, the self-assigned value will not be considered.

Please note the following information:

- Articles in *press* (on paper, *online* or *Epub ahead of print*);
- The curriculum will be evaluated exclusively through the material presented by the candidate at the time of registration;

- Only the productions that are computed by the candidate himself in the Score Table will be scored, in accordance with the **CV submitted at the application**.
- There can be no production punctuated in duplicate. If any work fits into two or more items, use the criterion that assigns the highest score.
